

Kapiti Coast Grey Power and Air Chathams have formed a partnership to give Kapiti Coast Grey Power members the opportunity to win a return trip to Auckland for two. This major prize has been kindly donated by Air Chathams.

If you are a financial member of Kapiti Coast Grey Power on 30 November 2018, you will automatically be in the draw at the Grey Power Christmas lunch on 5<sup>th</sup> December. You do not have to do anything except ensure you are a financial member.

However, if you introduce a new member to Grey Power between now and 30 November your name will again go into the draw and you will have two chances of winning this great prize. The new member will also be in the draw.

The return trip between Kapiti and Auckland must be taken between December and 25<sup>th</sup> June 2019.

To check you are a financial member, your membership card should read

“Valid to March 2019”.

If you are not financial you will not go into the draw.
